

Bucharest
Romania
3rd - 5th
October
2018

8th International Congress of UENPS

UENPS President **Manuel Sánchez Luna**
Local President **Silvia Maria Stoicescu**
www.uenpscongress.eu

in cooperation with

EFGNI
european foundation
for the care of newborn infants

5 GOOD REASONS TO ATTEND THIS CONGRESS

- 1 Non-invasive surfactant administration and ventilation are the future treatment of RDS
- 2 Is the progressive rising FiO_2 resuscitation at birth similar with physiological transition to extrauterine life?
- 3 Prematurity in the 21st century
- 4 Standard versus personalized human milk fortification
- 5 Do high risk newborns need more than 2 years follow-up?

If you are a member of a National Society included in UENPS you can have a discount on the registration fee! To take advantage of this dedicated offer please send an email to: nationalsocieties@uenps.eu
